

Subsidized Child Care Assistance Makes a Difference for Children and Communities

Alamance County

SFY 2020-2021

What Service is Needed:

Subsidized Child Care Assistance

- Helps parents pay for child care so they can work or attend school
- Provides information to parents about how to choose a safe, quality child care arrangement
- Funded by a mixture of state (20%) and federal dollars (80%)

Alamance County Facts

- 7,259 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$ 7,805,095 is currently available to serve eligible children.²
- Currently 1386 children are receiving subsidized child care assistance. This represents 19.09% of all potentially eligible children.²

¹Based upon data from the 2013 – 2018 American Community Survey data and July 2019 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2020-21) and children served (during 9/20)

Key Facts about Subsidized Child Care Assistance

- Approximately 59,653 children per month receive subsidized child care assistance
- 83% of the children are receiving assistance because their parents are employed
- 72% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

Subsidized Child Care Assistance

- Helps parents pay for child care so they can work or attend school
- Provides information to parents about how to choose a safe, quality child care arrangement
- Funded by a mixture of state (20%) and federal dollars (80%)

Camden County Facts

- 222 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$86,775 is currently available to serve eligible children.²
- Currently 19 children are receiving subsidized child care assistance. This represents 8.56% of all potentially eligible children.²

¹Based upon data from the 2013 – 2018 American Community Survey data and July 2019 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2020-21) and children served (during 9/20)

Key Facts about Subsidized Child Care Assistance

- Approximately 59,653 children per month receive subsidized child care assistance
- 83% of the children are receiving assistance because their parents are employed
- 72% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care
- The cost of child care subsidy services is offset by the working families' ability to pay taxes
- Parents with stable child care arrangements are more focused on the job and make better employees
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service

- Funded by a mixture of state (20%) and federal dollars (80%)

Davidson County Facts

- 6,284 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$5,474,108 is currently available to serve eligible children.²
- Currently 980 children are receiving subsidized child care assistance. This represents 15.60% of all potentially eligible children.²

¹Based upon data from the 2013 – 2018 American Community Survey data and July 2019 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2020-21) and children served (during 9/20)

Key Facts about Subsidized Child Care Assistance

- Approximately 59,653 children per month receive subsidized child care assistance
- 83% of the children are receiving assistance because their parents are employed
- 72% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- Funded by a mixture of state (20%) and federal dollars (80%)

Harnett County Facts

- 5,785 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$4,907,008 is currently available to serve eligible children.²
- Currently 619 children are receiving subsidized child care assistance. This represents 10.70% of all potentially eligible children.²

¹Based upon data from the 2013 – 2018 American Community Survey data and July 2019 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2020-21) and children served (during 9/20)

Key Facts about Subsidized Child Care Assistance

- Approximately 59,653 children per month receive subsidized child care assistance
- 83% of the children are receiving assistance because their parents are employed
- 72% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- Funded by a mixture of state (20%) and federal dollars (80%)

Madison County Facts

- 657 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$385,992 is currently available to serve eligible children.²
- Currently 99 children are receiving subsidized child care assistance. This represents 15.07% of all potentially eligible children.²

¹Based upon data from the 2013 – 2018 American Community Survey data and July 2019 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2020-21) and children served (during 9/20)

Key Facts about Subsidized Child Care Assistance

- Approximately 59,653 children per month receive subsidized child care assistance
- 83% of the children are receiving assistance because their parents are employed
- 72% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- Funded by a mixture of state (20%) and federal dollars (80%)

Pender County Facts

- 1,939 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$2,019,809 is currently available to serve eligible children.²
- Currently 378 children are receiving subsidized child care assistance. This represents 19.49% of all potentially eligible children.²

¹Based upon data from the 2013 – 2018 American Community Survey data and July 2019 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2020-21) and children served (during 9/20)

Key Facts about Subsidized Child Care Assistance

- Approximately 59,653 children per month receive subsidized child care assistance
- 83% of the children are receiving assistance because their parents are employed
- 72% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- Funded by a mixture of state (20%) and federal dollars (80%)

Stokes County Facts

- 1,232 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$1,115,461 is currently available to serve eligible children.²
- Currently 201 children are receiving subsidized child care assistance. This represents 16.31% of all potentially eligible children.²

¹Based upon data from the 2013-2018 American Community Survey data and July 2019 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2020-21) and children served (during 9/20)

Key Facts about Subsidized Child Care Assistance

- Approximately 59,653 children per month receive subsidized child care assistance
- 83% of the children are receiving assistance because their parents are employed
- 72% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

- 1,063 children are potentially eligible for subsidized child care assistance. Children under age 0-5 whose Parent(s) are working and whose family income is at or below the 200% federal poverty level or children 6-11 whose family income is at or below 133% FPL.¹
- \$462,286 is currently available to serve eligible children.²
- Currently 125 children are receiving subsidized child care assistance. This represents 11.76% of all potentially eligible children.²

¹Based upon data from the 2013-2018 American Community Survey data and July 2019 Population by Age from the North Carolina State Data.

²Includes Non-Smart Start and Smart Start final allocations (SFY 2020-21) and children served (during 9/20)

Key Facts about Subsidized Child Care Assistance

- Approximately 59,653 children per month receive subsidized child care assistance
- 83% of the children are receiving assistance because their parents are employed
- 72% of the families receiving assistance earn less than \$25,000 per year
- Parents pay a portion of the child care cost by paying 10% of their income as a parent fee

The Benefits:

For Families

- Helps parents to work and attend school
- Provides a safe setting for children
- Helps children to be better prepared for school
- Having a good early childhood education experience helps children to be successful in language, math and social skills in school

For the Community

- Working families put a large amount of money back into the local economy and tax system through their employment, earnings and purchase of child care.
- The cost of child care subsidy services is offset by the working families' ability to pay taxes.
- Parents with stable child care arrangements are more focused on the job and make better employees.
- Receiving subsidized child care assistance offers children a chance to receive an early childhood education which leads to increased success in school and less costs to the community and state in terms of remedial service.

Subsidized Child Care Assistance Makes a Difference for Children and Communities
